Dear Hal:

I received your letter of 1/6/00 in which you requested a copy of Kurtz's testimony before the ARRB when that board was in New Orleans.

I don't have a copy of that New Orleans testimony but what I did for you was to call Joe Backes, a fine researcher from New York state, and asked him to send you the relevant pages. I called him today & he did have what you need and he said he would send it to you.

Joe, in fact, attended all of the hearings the ARRB held in different cities and he also has all the testimony of each of the different cities. I only have about 3 of the various transcripts in my possession but I don't have them all. Joe is your best bet to get what you are in need of & I'm sure he'll send it to you.

You might also want to ask Joe what he thought of Kurtz since he attended that hearing.

I hope this will help you out. All is going well for me and soon I'll be sending you material contained in the latest issue of the "Kennedy Assassination Chronicles".

Best,
Hal Verb
